

E-Learning FAQ and Answers

1. How do I get in touch with each teacher?

Begin with accessing your child's Schoology, and then the teacher will provide more information on this platform for their contact information. Emails for every teacher at LGMS are also provided on the school website- lakegibsonmiddle.com

2. What platform and apps are necessary for each class?

The students will access their classes through Schoology. From there, each teacher will give information about what other apps/websites may be needed but this is the common platform that will be used for every E-Learning class.

3. What format will the class take. For example, will there be video, zoom, skype, chat or live?

Within Schoology, it will vary by class but general expectations for E-Learning include but are not limited to: live video conferencing with teacher/class daily, discussion posts, practice assignments, participation in notes, tests, and quizzes.

4. Does my child have to be signed in at the time of class?

Your child will need to be signed into the Schoology platform daily during each class period's scheduled time.

5. How do you take attendance?

Attendance will be taken daily for every class period based on logging in through the Schoology platform during the scheduled time for that class.

6. When does the class start and end?

Class times for E-learning will coincide with the same bell schedule that is utilized for face-to-face learning.

7. How do IEP/accommodations fit into this?

ESE accommodations and support services will be provided through the Schoology platform based on student IEP's and 504 plans. If you have further questions, please contact the School Counseling office.

8. Are there any other materials my child will need?

Computer and the ability to login

9. Does my child have to wear their uniform?

Your child does not have to wear a school uniform for E-Learning, however, students are still expected to abide by the dress code rules such as no profane or inappropriate clothing items that would not be allowed if in school.

10. If there becomes a problem with the platforms or apps who do I contact for SUPPORT? Is there a help desk number?

Your teacher will be your first point of contact; the district may be pushing out a helpline for Schoology for kids/parents, and more information will be provided if that is the case.
