

Lake Gibson Middle School

Monitoring Student Progress

(Due to circumstances this year, teachers can meet via ZOOM meetings)

Parent Portal: Accessing your child's student information and grades is as easy as 1-2-3.

<https://polkschoolsfl.com/parentportal/>

Assessments: We follow the District's calendar for assessments in Reading, Math, Science, and Writing. In addition to the district's calendar, student progress will be assessed and monitored using district benchmark assessments, informal teacher assessments, STAR Reading, STAR Math, Accelerated Reading and Achieve 3000.

Parent Communication: Specific student assessment information and scores are available from your child's teacher/and or school counselor. Assessment information will be discussed at parent conferences. Please contact your child's teacher and/or school counselor to schedule a convenient appointment.

Parent Conferences: To set up a conference with your student's teachers call the school at 863-853-6151 and ask for School Counseling office. The School Counseling office will set up a time which will take place in the mornings. All teachers are available to meet with you.

How you can contact your child's teacher: Teachers can be contacted by calling the school at 863-853-6151 or emailing the teacher using this format (first name of teacher.last name of teacher@polk-fl.net). You can go on the LGMS website www.lakegibsonmiddle.com and look up a teacher's email address as well.

Curriculum & Instruction

All subject areas are based on the **Florida State Standards**.
